AUGUST

Welcome to Fifth Grade

Attendance: Class will begin at 7:55 a.m. and end at 1:55 p.m. It is important that students sign on to Microsoft Teams daily in order to be marked present. If a student must be absent, then a message will be required the next day with a valid reason for his or her absence. Otherwise, it will be an unexcused absence. Students absent will be required to make-up any missed assignments upon returning to school

Dismissal: Dismissal will be at 2:00 p.m. Students must be logged in to Microsoft Teams for the entirety of class time. Parents must notify teacher if student must sign off before the end of class in order to be excused. Failure to receive notice of "early dismissal" will be unexcused.

Curriculum: Students will be receiving instruction in Reading, Language Arts, Math, Science and Social Studies. Online programs and resources will be used throughout distance learning to meet fifth grade level requirements.

Grading Policy: **A** = 100% - 90% **B** = 89% - 80% **C** = 79% - 70%
D = 69% - 60% **F** = 59% - 0%

Assessments: Students will be notified in advance of any assessments given in class. These tests will help demonstrate student's understanding of standards taught in class for each subject.
