multiplying large numbers,
order of operation

Reading:

Main Idea, Theme,
Inferences, Comparing &
Contrasting Story
Elements and Facts

Social Studies:

Age of Exploration

A Note From

Mrs. Valenz

Students are to log on to Microsoft Teams daily from 7:55 a.m. – 1:55 p.m. If your child will not be logging on for a class meeting, please send me a message on ClassDojo.

Please following the guidelines below to make sure your child has a successful online learning experience.

1. Webcam must remain ON for the entirety of class time. (Please remember you or any other person may be seen or heard in the background during our live sessions.)
2. Students should have a quiet workspace with as few disruptions as possible. (not on their beds if possible)
3. Students are to remain seated for the duration of our class lessons. Kids will get short water and bathroom breaks in between activities and lectures. They are encouraged to wait until then, so they do not miss instruction time.
4. Students should be able to complete all assignments during our live class sessions. Encourage your child to remain on task so that he/she does not fall behind.

Dates

Sept 7 No School

Sept 8-11 Reading & Math
Diagnostic Tests

Sept 14 Math Test

Sept 15 Reading Test

Sept 30 Reading Test
